

VOLKAN VARISLI

Mobile TRNC: 00(90) 548 856 00 51 e-mail: volkan.varisli@kyrenia.edu.tr

He's born in Ankara, 11.03.1977. Married with Aysecan VARISLI and father of his lovely daughter MAYA.

Summary of Qualifications

Education:

PhD Candinate	University of Kyrenia	2020 -
Master of Science	University of Kyrenia	2016 -2019
Marine Engineer Dipl.	ITU Maritime Faculty	1994-1998
High School	Ankara Anittepe Lisesi	1991-1994

Summary of Skills

Professional Skills as Academic Staff:

Vice Dean & Head of Marine Eng. Dept.	University of Kyrenia	2024 Oct. -
Senior Lecturer & Head of Marine Eng. Dept.	University of Kyrenia	2019-2024
Senior Lecturer & Faculty Coordinator	University of Kyrenia	2017-2019
Lecturer	University of Kyrenia	2016-2017

Professional Skills as Sea Staff:

Oceangoing Chief Eng.	MT STI AQUA / Zenith – Scorpio	2024-June-Sept
Oceangoing Chief Eng.	MT SEYMA / Tankship Netherlands	2023-June-Sept
Oceangoing Chief Eng.	MT MT TRINITY ERK / Safemar Shipping	2021 June-Sept
Oceangoing Chief Eng.	MT SEYMA / Tankship Netherlands	2019 June-Sept
Oceangoing Chief Eng.	MV Atlantik TRADER / Atlantik Denizcilik A.S	2001 – End year
Oceangoing Chief Eng./Warranty Eng	MV ZIM KINGSTOWN/ FERROSTALL Group	2001
Oceangoing 1 st Eng.	MV HASAT & MV ALFAMAR/ Ali Riza Kinay Group	2000-2001
Oceangoing 1 st Eng.	MT STOLD RINDO/STOLD-NIELSEN TANKER B.V	1999-2000
Oceangoing 2 nd Eng.	MT STOLD VESTLAND/STOLD-NIELSEN TANKER B.V	1999-2000
Oceangoing 3 rd Eng.	MT SIMGE/ Aksay Denizcilik A.S	1998-1999

Professional Skills as Shore Staff:

Professional Skills On Ship building stage & sail as sea staff:

As Project Engineer - warranty Chief engineer	MV ZIM KINGSTOWN/ Selah Shipyard	2000
As Project Engineer - warranty Engineer	MT MAR CRISTINA (Mar Petrol SA-Spain)	2000-2001
As Project Engineer -warranty Engineer	MT HEINRICH (Eberhardth-Germany)	2001-2002
As Technical inspector- warranty Engineer	MT MAR MARIA (Mar Petrol SA-Spain)	2002-2003
As Technical inspector- warranty Engineer	MT MAR ISA (Mar Petrol SA-Spain)	2002-2003
As Project Manager – warranty manager	MT MAR VICTORIA (Mar Petrol SA-Spain)	2003-2004
As Project Manager – warranty manager	MT MAR PAULA (Mar Petrol SA-Spain)	2003-2004
As Project Manager – warranty manager	MT MARELD (Vaderotank-Sweden)	2004-2005
As Project Manager – warranty manager	MT ACACIA (Chemmariner-Malta)	2006-2007
As Project Manager – warranty manager	MT TARNBRIS (Tarntank-Sweden)	2007-2008
As Project Manager – warranty manager	MT ATLANTIK MIRACLE (Atlantik Denizcilik A.S)	2007-2008

Professional Skills on ship voyage readiness:

As Tech. Manager of Atlantik Denizcilik San. A.S	MT EMEK-S
As Tech. Manager of Atlantik Denizcilik San. A.S	MT HEATHER
As Tech. Manager of Atlantik Denizcilik San. A.S	MV AVATAR
As Tech. Manager of Atlantik Denizcilik San. A.S	MT BLUESTAR
As Tech. Manager of Atlantik Denizcilik San. A.S	MT BLACKSTAR
And new building vessel's seatrials and readiness in Istanbul including motor yacht "SEA STAR" in Selah Shipyard.	

Professional skills on Ship repair

As Tech. manager/Atlantik Denizcilik San. A.S	MT WISDOM - Istanbul
As Tech. manager/ Atlantik Denizcilik San. A.S	MT GRACE –Istanbul
As Tech. manager/ Atlantik Denizcilik San. A.S	MT AVATAR –Istanbul
As Tech. manager/ Atlantik Denizcilik San. A.S	MV ANA-M – China/Zesco
As Tech. manager/ Atlantik Denizcilik San. A.S	MV VICTORIA M- Istanbul
And several other vessel's planned survey and repairs in ISTANBUL.	

Professional Skills on Ship sale -purchase & handover

As DPA and Tech Manager	MV HANJIN ANTWERP – MV ATLANTIK CONFIDENCE (INDIA)
As DPA and Tech Manager	MV HANJIN PENANG – MV ANA-M (CHINA)
As DPA and Tech Manager	MV F&K- MV SELIN-M (KOREA)
As DPA and Tech Manager	MV ROYAL FOREST - MV NAHIDE-M (JAPAN)

Professional Background as Shore staff in Shipping

Tech. Insp. & DPA & CSO	Atlantik Denizcilik San. A.S/ISTANBUL	2004-2006
Technical Inspector	Atlantik Denizcilik San. A.S/ISTANBUL	2002-2006
Project Manager	Atlantik Denizcilik San. A.S/ISTANBUL	2004-2010
Technical Manager & DPA	Atlantik Denizcilik San. A.S/ISTANBUL	2006-2011
Proj. Eng.& Warranty Eng. new Buildings	Atlantik Denizcilik San. A.S/ISTANBUL	2000-2010
Deputy General Manager	Atlantik Denizcilik San. A.S/ISTANBUL	2010-2012
General Manager& Founder	Caria Marine / ISTANBUL	2012-2015
Marine Engineering Lecturer/coordinator	Maritime Faculty of University of Kyrenia / TRNC	2016-2018
Marine Engineering Lecturer/Faculty Coordinator	Maritime Faculty of University of Kyrenia / TRNC	2018-2019
Head Of Marine Engineering Department	Maritime Faculty of University of Kyrenia / TRNC	2019-

Professional employee responsibility background

- * Design planning and equipment purchase for new buildings
- * Engine room and equipment ordnance design applications on building stages
- * Commissioning and start-up preparation on new building stages
- * Owner and customer relations on sales and purchases as project manager
- * Documented ship survey and investigation
- * Cost planning on new building
- * Cost planning on repair works
- * Effective cost planning on ship purchase
- * Warranty handling engineer and repair engineer on both 2 and 4 stroke engines aftersales as warranty engineer
- * Warranty handling engineer and repair engineer for marine merchant vessel's auxiliary equipments
- * Warranty handling spare part supply engineer on vessel's aftersales
- * Tanker vetting preparations and SIRE application trainings onboard as DPA
- * Tanker and engine training before vessel entry for ship staff
- * ISM- ISPS auditor as DPA and CSO both onboard and in-house
- * Ship-shore drill planner as DPA
- * Spare part purchase and delivery – overseas as Tech. manager
- * Ship supply worldwide contact investigator as Tech. manager
- * Fuel and oil purchase and supply management as Tech. manager.
- * Repair, survey and docking planning as Tech. manager

- * Repair survey and docking final controls as Tech. manager
- * Sub-contractor agreements and finishing payment ordnance
- * Ship survey before purchase as Tech. manager (Both for Atlantik Denizcilik and other firms, exclusively)
- * Ship purchase final closings and handovers onboard
- * Ship insurance applications
- * Shipyard planning and shipyard area criteria solution. (I prepared projects and investigation report for Atlantik Denizcilik A.S in Camburnu-Trabzon & Tuzla-Istanbul)
- * Ship chartering calculation and investigation decision partnership
- * T/C agreement investigator
- * Cost effective applications and firm evaluations.
- * Engine and auxiliary equipment overhauls as tech. inspector
- * Engine and related system remote fault solutions
- * Electric and electronic automation system fault solutions
- * Automation system design* Repair travels (37 Country – 127 cities)
- * He managed a technical team with 6 Mech. engineer, more than 40 Masters and Chief Engineers onboard vessels with crew members more than 350 with cooperation of operation, accounting and chartering departments.
- *As the Director of Caria Marine, established a professional marine servicing and spare part provider company which has a worldwide network. Mechanical, electrical and marine electronics services is the core business of Caria Marine including spare parts of marine diesel engines, marine auxiliary generators, compressors, winches, heating and cooling systems, auxiliary merchant marine flooding and off-shore system equipment. Also as a survey company, we've acted as supervisor on sales and purchase of marine merchant vessel, administrative survey of analysis for law offices and national law office. These surveys includes both for hull and machinery but also underwater surveys with presence of core classification societies.
- *Lecturer of Marine engineering courses about, Diesel engines and their operations, Marine main and Aux. system's operations, Marine Boilers and Gas Turbines, Hydraulics, Pneumatics and Automatic Control, Engine room simulator, Maritime English

Professional Trainings and Certificates

- Ocean Going Chief Eng. Licence & Seaman's book /Turkish
- Ocean Going Chief Eng. Licence & Seaman's book/ Republic Of Liberia
- Ocean Going Chief Eng. Endorsement certificate / Malta
- IMO Yacht Captain licence
- Maritime Lecturer Certification from ministry of Turkish Transportation, Maritime and Communications
- ISM-ISPS Auditor Certificate – BV
- Risk assessment profession training & certificate – Hudson Marine
- STCW 78/95- Fire and training course certificate
- STCW 78/95- Advanced Fire and training course certificate
- STCW 78/95- First aid on sea training course certificate
- STCW 78/95- Personal safety and social responsibility course and training certificate
- STCW 78/95 – Personal rescue and life saving techniques at sea course and training certificate
- STCW 78/95 – Life saving appliances user course and training certificate
- Petrol Tanker staff training courses and training certificates
- Chemical tanker staff training certificates
- Company Security Officer – Turkiye
- VGP (USA) / Marpol Training Institute (UK)
- VGP2013 Training Certificate/ DNV
- Exhaust Gas Cleaning System Training Certificate EGCS / Marpol Training Institute (UK)
- Navigating Ballast Water Regulations (NWBR) / DNV
- Waste Management Best Practices / DNV
- Scorpio Meeting Marpol Standards / DNV
- VHF Radio Communications certificate – Turkiye
- Energy efficiency and recycling training - NK
- MAN 2 stroke engines service training – Kopenhagen (2002)
- MAN 4 Stroke engines service training – Augsburg (2003)
- Open water Diver licence – PADI and TSSF
- IMO Model Courses certified lecturers for Maritime Safety Courses
- IMO Model Course certified lecturer for marine simulation systems
- FAI International Accuracy Competition Judge
- Transas Marine engine room simulator certified trainer
- Valid Passport (up to 2032)
- Driving licence B+ A2

Personal office qualifications:

Ability to use MS Office applications

Ability to use Autocad on mechanical engineering applications (Rhinoceros 3D modelling and printing)

English, Perfectly both verbal and writing skills

Spanish, B1 Communicate both verbal and writing skills

Caretta and other basic planned maintenance and ISM programs

PLC automation application language for Mitsubishi and Siemens

Publications:

ICE protection and personal training booklet of Atlantik Denizcilik San. A.S

SEEMP Plan booklet of Atlantik Denizcilik San. A.S

Alternative propulsion system manual of MT TARNBRIS, MT ATLANTIK MIRACLE and MT ATLANTIK GLORY

Database of 8 tanker and 10 Dry cargo vessel's Engine ISM organization plans

Database of 8-tanker vessel's Engine maintenance plans on software (CARETTA)

Database of Crew Training Module of Micromarine –Fleetmanager Program with 864 training products including exams.

Teknik Ve Bilimsel Yaklaşımlarla - Gemi Makineleri İşletme Mühendisliği, Editörler: Alper Kılıç, Mustafa Nuran

Nobel Akademik Yayıncılık ISBN: 978-625-397-068-0

Prizes:

Turkish Chamber of Shipping, 2nd Design and Idea Competition – 1st Prize (Autonomous Scientific Research Vessel)

2022

Personal Interests and Hobbies:

Paragliding, surfing & sailing, diving, rock climbing, motorcycles, musical instruments and books
